Editor guiding this retraction: Chitnarong Sirisathitkul

This article is retracted from Walailak Journal of Science and Technology. The first and corresponding author has submitted the manuscript without consent of the co-author. The affiliation does not truly reflect the place at which the research was carried out. Furthermore, the corresponding author was not able to supply original figures in response to the inquiry after the publication. The editor would like to apologize that this was not detected during the submission process.
